An Electronic Travel Authority (ETA) provides authorisation to travel to and enter Australia and is electronically linked to the applicant's passport.

It is for short term stays for tourism or business visitor activities such as attending a conference, making business enquiries or for contractual negotiations. Business visitor activities do not include work.

An ETA is not a work visa. If the applicant would like to work in Australia they can use our Visa Finder to search for a visa that is suitable for them, visit [Visa Finder](#).
